

Where will you go? To Weimar, Jena, the big city, which has a lot of good on both ends.

(J.W. v. Goethe)

**Diversity and Methods in Social Work
in a European Perspective**
12th International University Week
April 19th - 23rd, 2010

University of Applied Sciences, School of Social Work, Jena (Germany)

The School of Social Work, University of Applied Sciences Jena, will be host of the 12th International University Week from April 19th - 23rd, 2010 in Jena (Germany).

We friendly invite international students from all European countries as well as university teachers to participate within our international program. We especially call for participation of Universities within our Socrates network, however, would like to encourage individuals, students as well as lectures from other institutions and academies to participate.

The IUW 2010 will focus on different aspect of social work in modern societies and include workshops, field-related excursions as well as social activities and offers a chance to visit Jena, Weimar and Thuringia, the workplace and activity area of Schiller, Schiller, Goethe, Hegel, Nietzsche, Fichte, Schelling, Feuerbach and others of the "noble classic" as well as the cradle of "reform education" in Germany (Peter Petersen, Hermann Lietz, Friedrich Fröbel).

For further information see program details (pp. 2), abstracts and organizational notes.
